

South Carolina Department of Health and Environmental Control
Office of Ocean and Coastal Resource Management
927 Shine Avenue
Myrtle Beach, South Carolina 29577

June 21, 2013
Permit Application Public Notice

James Walker & Brenda Brewer, OCRM-13-157-A

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

LOCATION: On and adjacent to Canal "K" off of Williams Creek at 308 46th Ave. N., North Myrtle Beach, Horry County, South Carolina.
TMS: 145-02-20-016.

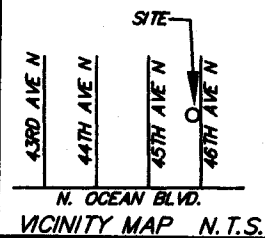

WORK: The work as proposed consists of replacing an existing erosion control structure. Specifically, the applicant seeks to replace a dilapidated timber bulkhead with a new 55' vinyl bulkhead. The work as described is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Comments regarding this application must be received by the Department on or before **July 6, 2013**. For more information, please contact **Tanitra Marshall** at **843-238-4528** or via email at **marshats@dhec.sc.gov**.

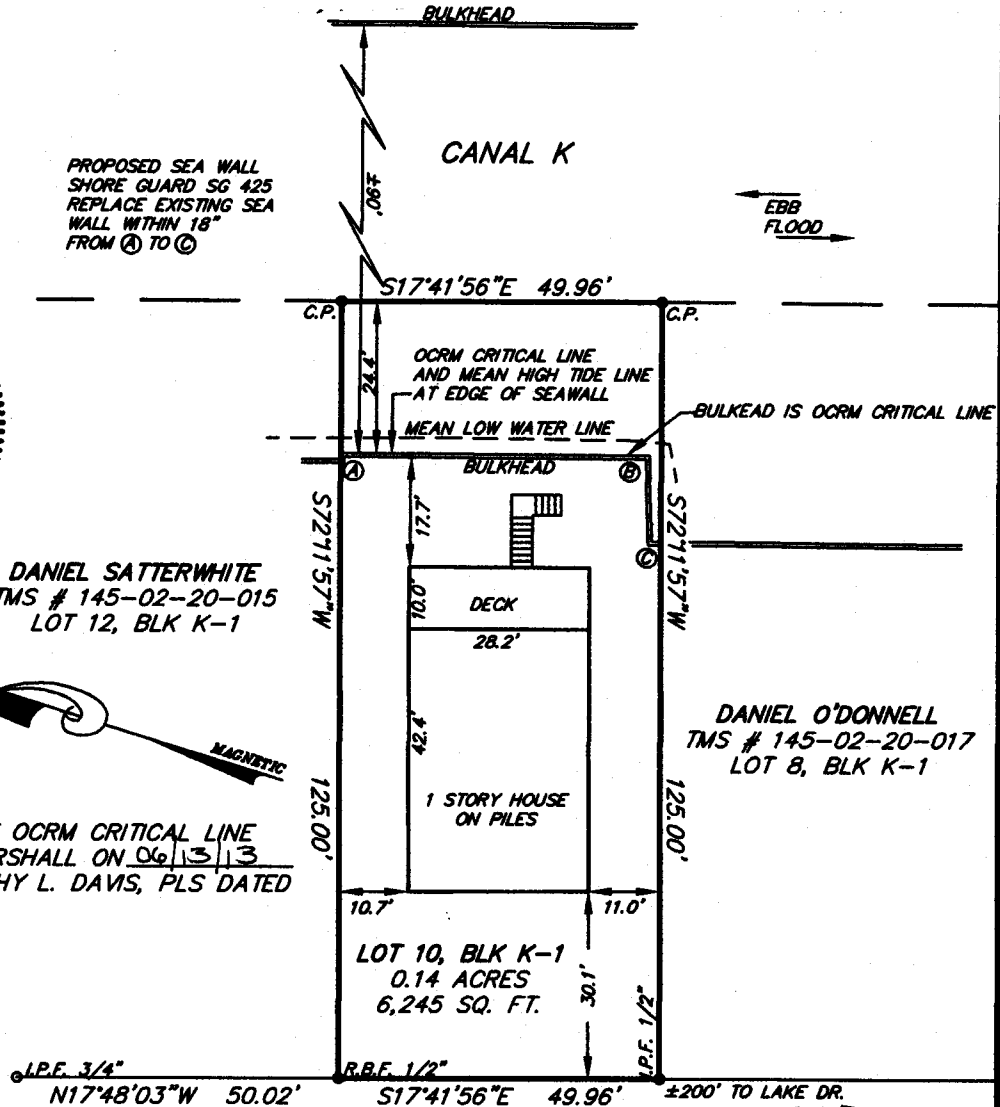

NOTE: Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at **www.scdhec.gov/environment/ocrm/public_notice.htm**.
